Please assign my donation to the designated fund as indicated.

General Fund supports all of our activities.

Lawrence Aspen Protection Fund exclusively for aspen tree purposes. Below is a description of that fund:

Kenneth Lawrence, a resident of Phoenix, had come to love the forests around Flagstaff. When he died in October 2009, his widow, Jennifer Lawrence, asked that donations be made in his memory to FoNAF and that FoNAF use the money to support aspen protection and restoration. In the years since 2009, the fund has provided thousands of dollars to purchase supplies for repairing fences and for building new ones that protect young aspen trees and established groves.
